Online Application for GDA System

To apply, applicants can register online by creating a new account
https://inetapps.nus.edu.sg/GDA2/Applicant.aspx/Account/SignUp

For scholarship application to be routed successfully to CSI, applicants must select the following information:
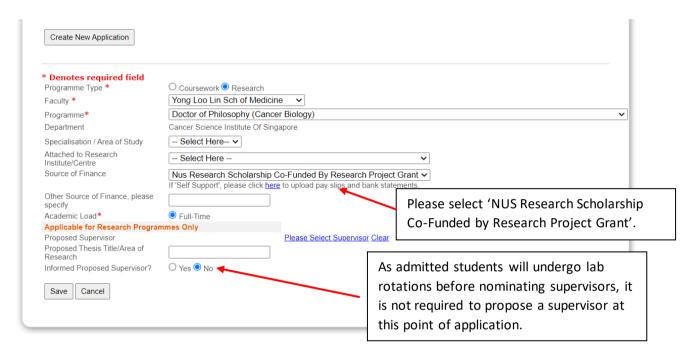

Programme Type: Research
Faculty: Yong Loo Lin Sch of Medicine
Programme: Doctor of Philosophy (Cancer Biology)
Source of Finance: NUS Research Scholarship Co-Funded by Research Project
Academic Load: Full-Time

When submitting your application online, you will be asked to enter a Password. This password, along with the application number will allow you to access the following online facilities related to your application:

- Online Application Status Enquiry
- Online Update of Contact Details
- Online Reply to Offer of Admission

All supporting documents should be uploaded on application portal or emailed to csi_gradprog@nus.edu.sg. Kindly indicate in the subject title: CSI Graduate Program AY2024 Application.

For transcripts only:
Official transcript of academic records from each university you have attended may be submitted in **either** format:

- **Hardcopy transcript:**
  - To be requested from your university using the prescribed form, to be directly mailed to CSI Singapore.
  - Transcripts must be enclosed in an official SEALED with its flap bearing the security seal of the university and the signature of the Registrar or representative.
- **OR**

- **Electronic transcript:**
  - Official electronic transcript is acceptable from your university.
  - Please request your university to send the transcript to csi_gradprog@nus.edu.sg, while informing us of the incoming e-transcript so that we can keep a lookout for it.

Applicants from NUS can submit the official electronic transcript of their academic records downloaded from the student system.

Shortlisted candidates may be required to submit other documents for review.
